Protectionism issue outranks

By Herbert A. Michelson
SAN FRANCISCO — Trilateral Commission members attacked on Monday the protectionist U.S. trade policy that has become a major barrier to free trade.

Kissinger predicts U.S. ...

By Harry Joplin
OF THE EXAMINER

Henry Kissinger said he expects the United States and the Soviet Union to sign an agreement on nuclear non-proliferation but he doesn't think it will be especially beneficial to Western Europe or the country.
